

ELIGIBILITY

[Important Notes: Please use the buttons at the bottom of the page to navigate through the survey; please do not use your browser's back/forward buttons. You do not need to complete this application in one sitting. You can come back later to complete it, as long as you complete the survey within one month of when you begin. Also please remember to hit "Click to Proceed" at the end of the survey, otherwise your responses will not be recorded.]

The Denning Technology & Management (T&M) Program offers three minors.

(1) Computing & Business

*Scheller College of Business—IT Management
College of Computing*

(2) Engineering & Business

*Scheller College Business – all other **except** IT Management
College of Engineering*

(3) Technology & Business

*College of Design
College of Sciences
Ivan Allen College of Liberal Arts*

Coursework for the Class of 2024 for all minors begins in Fall 2022.

Please note that a minimum of 30 credit hours on your Georgia Tech transcript (will be verified by the T&M Program; AP credits count) before the start of Fall 2022 is required to be eligible for the Denning T&M Program Class of 2024.

Please estimate the number of credit hours **you will have earned** before the start of Fall 2022.

Please note that a minimum cumulative GPA of 3.0 must be maintained through Spring 2022 and Summer 2022 (will again be verified by the T&M Program) to be eligible for admission to the Denning T&M Program Class of 2024.

Please enter your anticipated cumulative GPA at the end of Fall 2021 (note this will be verified by the T&M Program).

Denning T&M students take classes on campus as a cohort for four successive semesters, Fall 1, Spring 1, Fall 2, and Spring 2, in order to complete their minor.

Some required T&M classes are in the 5:00-6:15 pm time-frame during the week.

Also, there are required T&M events/activities are scheduled after 6:30 pm on Monday evenings.

Please check that you agree to the conditions below in order to proceed with the application.

If you cannot agree to these conditions, then you will not be considered for admission:

- If admitted, I will take responsibility for planning my courses ahead of time to ensure my timely graduation from Georgia Tech while taking all T&M classes
- If admitted, I will be available to take all T&M classes on campus during Fall 2022, Spring 2023, Fall 2023, and Spring 2024
- If admitted, I will not participate in a co-op during the T&M capstone project semester - Spring 2024
- If admitted, I agree not to arrive late or leave early from any T&M class
- If admitted, I agree to attend all required T&M events (e.g., Orientations, Corporate Affiliate office take-overs, Dress for Success workshop, Etiquette Dinner, Ropes Course, etc.)
- If admitted, it is my responsibility to make sure I complete the 18 hours of required T&M courses prior to the beginning of my 4-hour capstone project course in Spring 2024

NOTE: Co-Op is NOT permitted during the Spring of 2024. Co-Op during your first three semesters is OK as long as you can make it to your T&M classes that begin at 5:00 pm weekdays!

Please indicate whether you plan to participate in a co-op during the following semesters:

	Yes	No	Not Sure
Fall 2022	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Spring 2023	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Fall 2023	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

	Yes	No	Not Sure
Spring 2024	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

To gain all the benefits offered, admitted T&M students need to be willing to alter their commitments to make the T&M Program their number one activity on campus during the four semesters required by the program.

This commitment means that when a conflict arises between T&M courses or events, and any other activity, T&M will be the chosen activity.

Using the sliding scale below, please indicate your willingness to make T&M your number one extra curricular activity during Fall 2022, Spring 2023, Fall 2023, and Spring 2024.
