## EXPERIENCE

**THE HOME DEPOT** **Atlanta, GA**
***Senior Analyst, Inventory Solutions*** *November 2024-Present*
- Created, sourced, and delivered monthly training content for 120+ operations associates to directly drive improvements in inventory performance and replenishment metrics.
- Led four cross-functional working committees to investigate, triage, and simplify complex operating systems and enhance user experience and performance.
- Served as conduit between SMEs, data science teams, and operational partners to drive analysis and process improvements for BI dashboards and KPI reporting tools.
- Presented strategic insights to senior leadership to shape decision-making and develop response strategies for change management initiatives across the enterprise.

**NEW SOUTH CONSTRUCTION** **Atlanta, GA**
***Assistant Project Manager*** *February 2024 – November 2024*
- Established presence as primary liaison for scope-of-work and project cost management and expense management initiatives on high-impact infrastructure modernization initiative.
- Directed stakeholder coordination, budget management, and data-driven logistical analysis for a $43M capital improvement project.
- Led onboarding and on-site compliance training for 14 key stakeholders operating across Hartsfield-Jackson International Airport to ensure operational alignment with Department of Aviation protocols and operating standards.

***Project Engineer*** *May 2022 – February 2024*
- Directed collaboration amongst engineers, manufacturers, and clients to ensure compliance standards, control financial budget, and achieve design objectives for flagship lounge buildout totaling $1,000 per sq ft.
- Led procurement initiatives of 200+ high-end, specialized building materials and delivering zero stockouts and minimizing service disruptions.

**UNITED STATES ARMY** **Savannah, GA**
***Brigade Logistics Planner [Captain]*** *August 2021 – May 2022*
- Led compliance oversight of enterprise-scale, fleet modernization project totaling $200M.
- Provided weekly operational logistical status reports to senior executive leadership, identifying process challenges, systems posture, and project solutions that influenced organizational decision-making.

***Executive Officer [First Lieutenant]*** *March 2020 – August 2021*
- Served as second-in-command of 90-personnel organization with direct oversight of operational efficiency, management processes, fleet maintenance, and tactical distribution assets valued at $120M.
- Managed the international transportation, maintenance, and delivery of $100M in cargo and equipment in partnership with international organizations.
- Directed emergency logistical response operations to ensure unit readiness and rapid mobilization during high-stress training operations.

***Platoon Leader [Second Lieutenant]*** *June 2018 – March 2020*
- Led and managed the training, operational readiness, and day-to-day operations of a 45-personnel team, ensuring full accountability, discipline, and mission preparedness.
- Coached and mentored 4 direct reports to advanced military schooling, all of whom graduated with honors.
