

Social Impact Fellow - Summer Camp Documentarian

3D Girls, Inc. is searching for a passionate and talented **Social Impact Fellow** to join our mission of empowering girls through Science, Technology, Engineering, Arts, and Mathematics (STEAM) education, mentorship, and leadership development. This is an exciting opportunity for a Georgia Tech candidate with a strong background in **digital marketing, communications** and storytelling to contribute to amplifying the impact of our [Girls Link Up Summer Camp Program](#).

Do you have a passion for:

- Amplifying the stories of others using skills in filmmaking and storytelling.
- Women and girls' equity in education, particularly in STEM fields?
- Utilizing technology and creative communication to create positive social change?
- Working in a collaborative environment with a mission-driven team?

If so, we want to hear from you!

Responsibilities:

- Assist with filming and capturing footage of summer camp activities, interviews and events.
- Contribute to the editing process, including organizing footage, creating rough cuts, and assisting with final edits.
- Potentially assist with narrative development and storytelling, contributing to the overall structure and message of the documentary.
- Conduct interviews with campers, staff, and community partners.
- Assist with the organization and management of media assets.
- Support the production team with various tasks as needed.

Qualifications:

- Experience working with emerging STEM ecosystems among minority youth, with a strong understanding of local needs and cultural nuances. (Desirable)
- Experience or strong interest in filmmaking, documentary production, and storytelling.
- Proficiency in video editing software (e.g., Adobe Premiere Pro, Final Cut Pro).
- Strong communication and interpersonal skills.
- Ability to work independently and as part of a team.

- Passion for social impact and empowering young women and girls.
- Ability to work in a fast paced environment.
- Reliable transportation.
- Ability to pass a background check.

Learning Outcomes:

- Gain hands-on experience in documentary filmmaking and production.
- Develop skills in filming, editing, and storytelling.
- Learn about the impact of non-profit organizations and their work in the community.
- Enhance communication and collaboration skills.
- Build a professional portfolio with a meaningful project.

Internship Details:

- **Term:** Summer 2026 (10 weeks)
- **Time Commitment:** 10 hours per week

To Apply:

Please submit a resume, cover letter, and a link to any relevant portfolio or work samples to raoni@3dgirlsinc.org. In your cover letter, please explain your interest in the project and your qualifications for the internship.

3D Girls, Inc. is committed to fostering a diverse and inclusive environment. We welcome applications from all qualified candidates.

This position is a collaboration with the Institute for Leadership and Social Impact (ILSI) at Georgia Tech. The student selected for this position will receive a Social Impact Fellowship from ILSI in the amount of \$1,800 upon verification of their eligibility for a scholarship with the Financial Aid office. Students are expected to work 10 hours a week for 10 weeks. Students need to be enrolled full-time. ILSI will handle onboarding and the payment process, and Fellows are expected to complete deliverables about their experience.
