

GLOBAL SOCIAL VENTURE COMPETITION

Want to help start a business that is financially sustainable *and* creates positive impact?

The Global Social Venture Competition (GSVC) promotes sustainable ventures that address significant social issues, build awareness of the social entrepreneurship field, and educate future leaders.

Teams develop business plans for organizations that will have a positive, real-world impact.

Benefits:

- Collaboration - Teams are encouraged to collaborate with professionals, seasoned entrepreneurs, and students from other schools
- Networking - The competition introduces early-stage social venture entrepreneurs to the investment community
- Prizes - Competition winners will receive \$80,000 in prizes to make their business ideas a reality

Requirements:

- Teams must include at least one student, current or recent graduate (any program)
- Existing businesses must have been in operation for less than 2 years

Global Finals
(U.C. Berkeley)

Success stories

Revolution Foods delivers tasty and healthy meals and nutrition education to schools and programs across the country. They are moving the revolution forward in Northern and Southern California, Colorado, and the Washington DC Metropolitan area.

World of Good is comprised of two entities. A non-profit organization focused on building strategies to substantially improve economic and social conditions for women and adolescent girls in the developing world. Also a for-profit organization dedicated to creating opportunities for thousands of marginalized artisans around the world
