Lalit Dhingra oversees the Americas operations of NIIT Technologies. He joined NIIT Technologies in 1990 and was responsible for building the software services division from inception. He moved to the U.S. in 1997 as Vice President, Software services and in 2006 took charge as President, Operations. Lalit was a catalyst in the growth of NIIT Technologies in the North American market. He has been working in the software industry from 1979 and before joining NIIT Technologies was involved in developing software products, and managing large applications and system software products.

Lalit was conferred the ‘Stevie Honoree’ award (2011) under the ‘Outstanding Leadership’ category in Abu Dhabi. He was also a finalist in ‘TechAmerica’ for ‘Outstanding Leadership’ and has represented India at the ICT Summit, United Nations, 2009. Lalit has been quoted by leading publications like Fortune, Wall Street Journal, Silicon Valley and CIO Magazine for his business outlook and ability to comment on executable strategies and transformational models in the technology services outsourcing Industry.
